# EAU 7<sup>th</sup> South Eastern European Meeting (SEEM)

14-15 October 2011, Skopje

EAU meetings  
and courses  
are accredited  
by the EBU in  
compliance with  
the UEMS/EACCME  
regulations

Programme

EAU

European  
Association  
of Urology

# General Information

## Abstract book

The accepted abstracts of the EAU Regional Meetings are published by Elsevier as an official supplement of European Urology. This means that the abstracts are documented in an international journal and can be cited, providing proof of the academic productivity of the regions.

## Accreditation

The EAU is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), [www.uems.net](http://www.uems.net).

The 7<sup>th</sup> South Eastern European Meeting is designated for a maximum of 9 hours of European external CME credits.

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

The EACCME credit system is based on 1 ECMEC per hour with a maximum of 3 ECMECs for half a day and 6 ECMECs for a full-day event.

In order to acquire these credits, participants can have their EU-ACME card scanned at the EAU Registration Desk or fill in their EU-ACME registration number on their Certificate of Attendance and fax it to the EU-ACME office: +31 (0)26 389 0848.

**EU \* ACME**

Information on national accreditation can be found by contacting your National Urological Association

EACCME credits are recognised by the American Medical Association towards the Physician's Recognition Award (PRA).

European Board of Urology

## Certificate of attendance

Delegates who have attended the meeting can print their certificate of attendance online through <http://seem.uroweb.org> using the barcode on the badge. This option is available as of Monday, 17 October.

## Exhibition

The local organising committee has invited pharmaceutical companies, manufacturers of technical equipment and software as well as publishers of scientific books to exhibit their products at the exhibition organised at the meeting venue.
